

HUDA to connect Old Gurgaon sectors with Dwarka expressway

Huda has decided to change the alignment of the old Gurgaon road and will provide direct connectivity for the four sectors [9, 9A, 10, 10 A] with Dwarka Expressway. As per the new alignment now Huda will construct a railway-over-bridge (RoB) above Delhi-Rewari railway line passing through the area. For this Huda will have to make amendments in Gurgaon-Manesar Development plan 2021.

Noida-Greater Noida Metro to be ready by 2017

The Delhi Metro Rail Corporation (DMRC) and the Noida Metro Rail Corporation (NMRC) announced that the under construction 30-km Noida-Greater Noida Metro link, will open by November 2017. Noida- Greater- Noida Metro link, the longest link outside Delhi, will provide metro connectivity to Greater Noida's remote residential areas sharing the border with Dadri.

Underpasses to make road to Indira Gandhi Airport signal-free

The Centre has approved NHAI's proposal to do away with traffic signals between Dhaula Kuan and the starting point of Delhi-Gurgaon expressway. The proposal includes building of two underpasses at Dhaula Kuan-Cariappa Marg crossing (which turns towards Janakpuri) and at Parade Road crossing. Moreover, U-turns will be provided at Parade Road crossing for traffic coming from RR Hospital and Subroto Park.

Jaipur-Gurgaon stretch to take shape as 'green highway'

Ministry of road transport and highways will develop the Jaipur-Gurgaon stretch as green highway. To start with, the Centre will provide funds for trees to Rajasthan while state government will ensure its plantation and upkeep. In its initiative to develop one national highway in each state as 'Green Highway', the Centre has selected the Jaipur-Gurgaon stretch on NH-8 in Rajasthan.

Regulatory Updates

Noida adds new 'green' clause in tender docs to curb pollution

The Noida Authority has added a new 'green' clause against anyone flouting directions of the National Green Tribunal (NGT). As per the new clause, the Authority will enforce construction norms on contractors working on projects in the city. The new condition in the bidding document will make it mandatory for all agencies and contractors to comply with the green court's orders as specified in the 2010 guidelines of the Ministry of Environment and Forests.

Haryana CM consents terms and conditions for transfer of HUDA Sectors

Haryana Chief Minister Manohar Lal Khattar has approved terms and conditions for transfer of those HUDA Sectors to the concerned Municipal Corporations where more than five years have lapsed after completion of development works. Now, the Gurgaon civic body will look after water supply, sewerage, storm water, street light, roads, horticultural and sanitation services in these sectors

Key projects to get mega push in Noida budget

The three development authorities of Gautam Budh Nagar - Noida, Greater Noida and Yamuna are likely to allocate a large chunk of their budget for various development projects. Almost Rs 20,000 crore will be allocated to the three areas for the next financial year which will be used for various development projects like Metro connectivity, elevated roads, flyovers and underpasses to circumvent traffic bottlenecks in the city.
